Enriching Our Zoo - Enrichment Demonstrations

April 14, 15 & 16

Join our Animal Experts learn more about the animals at our Assiniboine Park Zoo and the various forms of enrichment used to care for them. These 15-minute demonstrations will show you how our dedicated teams construct enrichment for the animals in our care, as well as explain the conservation science used to ensure animal well-being. Learn about the 5 types of enrichment, the science behind what, where, when, why and how we use enrichment, and even see how the enrichment is created right here at your Assiniboine Park Zoo

3:00 pm - The 5 Types of Enrichment - Greater One-horned Rhino (Indo-Malaya)

Terra Lumina

Available May 20, 21 and 22 - shows begin at 7:00 pm

After nightfall at the Assiniboine Park Zoo, you are invited to pursue an immersive experience along a 1.5 km walking path that travels into the future and back.

Your journey begins when a portal carries you into the luminescent wonders of the year 2099, a time when humans and nature have learned to live in harmony.

Let yourself be transported by vibrant lighting, multimedia effects, breathtaking video projections and an original score to an enchanted world filled with possibility. And explore this bright and hopeful future to reveal the powerful secrets of tomorrow
